

[CoD4 Patch 1.6 - LINUX FILES INFO](#)

2008-06-06 19:36

Die Linux-Files scheinen fertig zu sein und sich in den Händen von AV zu befinden - das kam eben per Mail von Ryan C. Gordon rein:

Zitat:

1.6 Linux is done, the build is in Activision's hands as of late last night. I don't know what the word is on distribution yet.
